Estimated Costs Of Attendance — Undergraduate Programs —

This is not a bill. The figures below represent the minimal costs of studying and living in Atlanta; your personal experience may differ significantly based on number of credit hours, life style, etc. The tuition and fees amounts below reflect the 2017-2018 rates. If you are planning to attend the university for 2018-2019 academic year, please expect an undetermined and significant increase in tuition and fees in your financial documentation. Remember to add any dependent costs (if applicable) to the total amount shown below to determine the total amount you are required to show for I-20 issuance at Georgia State. All of the figures are subject to change without notice.

Tuition amount below is based on 24 credit hours per academic year.

*For information on Out-of-State Tuition waiver please contact the Office of Undergraduate Admissions.
