Estimated Costs Of Attendance — Graduate Programs —

This is not a bill. The figures below represent the minimal costs of studying and living in Atlanta; your personal experience may differ significantly, based on number of credit hours, life style, etc. The tuition and fees amounts below reflect the 2018-2019 rates. If you are planning to attend the university for 2019-2020 academic year, please expect an undetermined and significant increase in tuition and fees in your financial documentation. Remember to add any dependent costs (if applicable) to the total amount shown below to determine the total amount you are required to show for I-20 issuance at Georgia State.
